## ***Installation is Fast and Easy with Cablofil FAS Power Pre-Fabricated Wiring Systems!***

**FAS Power can benefit you in many ways:**

- FAS Power assemblies are packaged per contractor requirements
- Simple installation – no vertical measuring necessary for mounting boxes
- Pre-mounted and grounded boxes cuts install times
- Pre-installed rings can be specified to fit any wall thickness
- FAS Power assemblies are pre-wired to pre-cut MC Cable lengths
- Plug Tail allows you to make device choices at finish
- UL listed
